

Agent Agreement & Partner Policy

Recruitment partner terms, commission schedule and code of conduct

Version 2026.1
Effective 1 September 2026
Ref: BHE-AGR-2026

This agreement is made between **BHE Student Consultancy Ltd** ("BHE") and the recruitment partner named in the schedule on the final page (the "Agent"). By signing, the Agent agrees to these terms and to the policies in Part B, which form part of the agreement.

Part A — Agent Agreement

1. Appointment

1. BHE appoints the Agent as a non-exclusive recruitment partner to refer prospective students to institutions that BHE represents.
2. The Agent is an independent contractor. Nothing in this agreement creates a partnership, joint venture or employment relationship, and the Agent may not bind BHE or any institution.
3. The Agent may recruit only in the territories listed in the schedule, unless BHE agrees otherwise in writing.

2. Agent obligations

1. Give students accurate, up-to-date information about courses, fees, entry requirements, scholarships and visa rules.
2. Submit applications only through the BHE agent portal, with complete and genuine supporting documents.
3. Verify each student's identity, academic documents and source of funds before submission, and keep records of those checks for six years.
4. Never charge students fees that are undisclosed, misleading, or conditional on a visa outcome.
5. Use BHE and institution names and logos only in materials BHE has approved in advance.
6. Tell BHE within 48 hours of any change of ownership, address, bank details or key staff.
7. Ensure any sub-agents are declared to and approved by BHE, and are bound by terms no less strict than these.

3. BHE obligations

1. Provide portal access, training, marketing material and a named relationship manager.
2. Process applications promptly and keep the Agent informed of their progress through the portal.
3. Pay commission as set out in clause 4 and the commission schedule.

4. Commission

1. Commission is a share of the commission BHE receives from the institution for each student the Agent referred who enrolls and remains enrolled past the institution's census date.

2. The Agent's share depends on its partner tier:

Tier	Default share of institution commission	Typical requirement
Gold	65%	40+ enrolments a year, verified compliance record
Silver	55%	15–39 enrolments a year
Bronze	45%	New partners and up to 14 enrolments a year

3. BHE pays commission within 30 days of receiving payment from the institution, against a valid invoice, to the bank account verified during onboarding.
4. No commission is due where a student withdraws before census, receives a full tuition refund, or where the application involved fraudulent or misleading information. Commission already paid in these cases will be recovered.
5. Tiers are reviewed each September based on the previous 12 months' performance and compliance.

5. Term and termination

1. This agreement runs from the start date to the end date in the schedule, and may be renewed in writing.
2. Either party may end it with 60 days' written notice.
3. BHE may suspend portal access or terminate immediately if the Agent breaches this agreement or Part B, submits fraudulent documents, or harms the reputation of BHE or an institution.
4. Commission for students enrolled before termination remains payable, unless termination was for fraud.

6. Data protection and confidentiality

1. Each party will process student personal data in line with the UK GDPR, the Data Protection Act 2018 and local law.
2. The Agent will collect student consent before sharing data with BHE, keep data secure, and delete it when no longer needed.
3. Commission rates, institution terms and portal content are confidential.

7. General

This agreement is governed by the laws of England and Wales. BHE may update Part B on 30 days' notice through the portal; continued use of the portal after that date means acceptance.
